

### **Accreditation Disclosure Statement for Baccalaureate and Graduate Nursing Programs**

If a program or institution elects to make a public disclosure of a program's accreditation status with CCNE, the program or institution must disclose that status accurately. The program or institution disclosing the information must identify the nursing degree program and its affiliation with CCNE. The U.S. Department of Education requires that this statement include the accrediting agency's full name, address, and telephone number. CCNE has approved the following statement for disclosure of the accreditation status to the public: *"The (baccalaureate/master's/DNP program) at (institution) is accredited by the Commission on Collegiate Nursing Education, One Dupont Circle, NW, Suite 530, Washington, DC 20036, (202) 887-6791."*
