SPEAKER SPOTLIGHT

Betty R. Ferrell, PhD
*Principal Investigator, ELNEC Project
City of Hope
Duarte, CA*

Opening Plenary:
***Improving Access and Quality of
Palliative Care Internationally***

Review the international needs for quality palliative care for patients facing serious illness. The End-of-Life-Nursing Education Consortium (ELNEC), a collaboration between the City of Hope and the American Association of Colleges of Nursing, has prepared over 21,000 nurses and other health care professionals as ELNEC Trainers in 91 countries.

Frances Hughes, DNurs
*Chief Executive Officer,
International Council of Nurses
Geneva, Switzerland*

Closing Plenary:
Nurses - Agents for Health

Explore the global challenges of health-care today and the ways in which nursing can contribute to solving these issues, including the key contribution that nurses can make to the Sustainable Development Goals.

ABSTRACT THEMES

- Promoting excellence in education through accreditation
- Creating future nurse leaders to transform care
- Meeting population health needs: Analysis of curriculum development
- Innovations and technology in education
- Strengthening nursing education through cross border partnerships
- Creating global nurses: Cross border study and research opportunities for nursing students
