

ELNEC 2012

End-of-Life Nursing Education Consortium

Launched in February 2000, the *End-of-Life Nursing Education Consortium* (ELNEC) provides nurses and nurse educators with essential training in end-of-life and palliative care and provides participants with the knowledge and resources to share this knowledge with other nursing colleagues.

Summit

August 23 & 24, 2012

Washington, DC

* Participants will choose one of these subspecialty courses when attending a summit: ELNEC-Core, ELNEC-Critical Care, ELNEC-Pediatric Palliative Care, and ELNEC-Geriatric Taught Simultaneously

Course registration includes:

- ✓ Train the Trainer program, along with a 1000+ page course syllabus, plus supplemental teaching materials
- ✓ CD (includes syllabus content & course slides).
- ✓ Continuing education credits

Register early! Seating is limited and fills quickly.

You must pre-register to attend course. There are no on-site registrations.

\$50 discount per person for those with 3 or more attending per institution!

Continuing Education Provider approved by the California Board of Registered Nursing. Provider No. 13380 for 12 contact hours. (CE Provider: City of Hope National Medical Center/Beckman Research Institute). No partial CEs given. You must attend entire program to receive CEs and ELNEC Trainer Certificate.

Application/Registration forms and course information for the 2012 ELNEC Train-the-Trainer
