AACN’s 2007 Legislative Agenda

1. Budget and Appropriations for Title VIII and VII Public Health Service Act Programs

2. Funding for Nursing Research at the National Institute of Nursing Research (NINR) and the Agency for Healthcare Research and Quality (AHRQ)

3. Expand Social Security Act for Nursing Education via Legislation, Regulation, and Administrative Efforts

4. Establish and Fund a Troops-to-Nurse Teachers Program in the Department of Defense

5. Advance Capitation Grants Legislation and New Nursing Education Legislation under the Public Health Service Act

6. Reauthorize Title VII and VIII Public Health Service Act Programs
